EDGE INFORMATION MANAGEMENT PROMOTES NEW DIRECTOR OF CLIENT SERVICES

MELBOURNE, FL – February, 2019 Edge Information Management has promoted Janice Hudson to Director of Client Services within the company.

Janice has been with Edge since 2016 in various roles while being promoted multiple times. Throughout her tenure with Edge, Janice has employed an organized and dedicated approach while implementing new procedures both to measure performance and to train her team on new software tools and platforms. "Janice's new position reflects her already important contributions to our leadership team", said Edge President Joe Langford. "Her tenacity towards excellence relating to our clients and her team members has resulted in fast and meaningful responsiveness to all clients and she has continued to exceed all expectations".

Edge Information Management, Inc., established in 1991, is a privately held national provider of employment screening services dedicated to furnishing employers with accurate background screening, drug testing and electronic i9/e-Verify services at cost-effective rates. Edge delivers services to each client via the Internet through multiple software platforms, portals or integrations with a variety of industry leading ATS Systems and technologies. The ability to combine "big business ability with small business agility" is the value most appreciated by Edge's clients. Their NAPBS Accreditation exemplifies Edge's dedicated focus on delivering accurate information quickly and in compliance with federal, state and municipal guidelines.
