LEADERS IN EMPLOYMENT SCREENING

## BACKGROUND SCREENING & DRUG TESTING

**The Right People Give You the Edge.  
Edge Gives You the Right People.**

Edge Information Management, Inc., established in 1991, is a privately held national provider of employment screening services dedicated to furnishing employers with accurate background screening, drug testing and electronic I-9/E-Verify services at cost-effective rates. With a focus on compliance, Edge maintains average turnaround times of 24-72 hours. Edge delivers services to each client via the Internet through its proprietary software WebScreen™, applicant portal or integration with a variety of industry leading ATS Systems. Delivering "big business ability with small business agility" is a distinguishing differentiator that is most appreciated by Edge's clients.
