*Edge Information Management, Inc., was established in 1991, and we are a privately held national provider of employment and drug screening services. We are dedicated to furnishing employers with accurate background screening at cost-effective rates. If you are facing any challenges or areas that can be improved in your hiring and onboarding process, we would love to have a conversation about how Edge might be able to help. It is very likely that Edge will be able to save you both time and money!*
