Applicant Entry Options and Integrated with Most ATS Platforms**

Edge Information Management, Inc., was established in 1991, and we are a privately held national provider of employment and drug screening services. We are dedicated to furnishing employers with accurate background screening at cost-effective rates. If you are facing any challenges or areas that can be improved in your hiring and onboarding process, we would love to have a conversation about how Edge might be able to help. It is very likely that Edge will be able to save you both time and money!

Founding Member and part of only 9% of Background Screening providers who have achieved the PBSA Accreditation.

Edge's drug testing division includes its own MRO and collection site which drive faster turnaround times and a higher degree of accuracy.

"...we have been an Edge client since October 2001, and I am proud to say that we continue to receive the same consistent service and quality that we received in the initial phase of implementation."

- Human Resources Director, Hospital Group
